Dear Parents,

It's hard to believe the school year is ending. Our students have worked hard this year and have made many accomplishments not only in academics, but also in the fine arts, physical education, technology and library media skills. Our students have had great experiences at HSES, and now are looking forward to moving on to their next grade level. We wish our 5th graders well as they transition to middle school and we appreciate the leadership they've shown to our younger students.

Summer office hours are from 9:00 AM – 3:00 PM Monday through Friday. Please call before coming to school, as there may be days when the office is not fully staffed. Extra staff will be on hand Wednesdays between the hours of 9:00 AM - 1:00 PM for registrations. Families can register new students throughout the summer months, or by appointment. Please help us to ensure we have the appropriate number of staff at Hollifield Station by encouraging new neighbors to register early!
