Receiving Emails and Texts

Utilizing contact information submitted through the Family File, parents and guardians automatically receive emails from HCPSS and our school.

To comply with FCC & wireless carrier requirements, parents/guardians must opt in one time to receiving text message alerts. To confirm that you have opted in, text the word "YES" to 67587 from the cell phone number on file in HCPSS Connect Family File.

Unsubscribing to either an HCPSS or school email, will remove you from receiving all email messaging - including emergency notifications!

Please call the front office if you believe you are not receiving emails and/or text messages.

Building a Culture of Showing Up

Change in Dismissal

Things you can do to make your child's teacher aware:

- Send a handwritten note the same day
- **If you forget a note or a change occurs during the day, PLEASE call the front office by 2 P.M.**

This is helpful because it eliminates any confusion of where your student is to report at the end of the school day.
