Week of 12/21/20

Dear HSES Families,

We have made it to the final week before our winter break and closer to the start of a New Year - 2021! We hope that your holiday season is full of family, safe adventures, and peace! We hope you know how much joy it brings us to work with your children and to collaborate with you in their education. It is such a pleasure to see their beautiful faces everyday. They bring happiness and energy to our day, and we are so grateful for them.

As the end of the year approaches, we hope you take time for yourselves to rest, reflect and remember the positives that this challenging year has brought along with the difficulties faced. For our family, it brought new skills, new adventures and time together that we would not typically have in a normal year. We do hope that the new year brings us closer to our school building and being together as a community.

On behalf of the administrative team and the entire staff, we want to wish our parents, students and community partners a safe and joyous holiday season. Remember to practice safety precautions in all that you do, whether traveling or staying home.

Whatever holiday you celebrate this season, we wish you the very best and look forward to seeing you after the new year!

Sincerely,
HSES Staff
