Hollifield Station Celebrates Earth Day on April 26, 2023

“The Earth is what we all have in common!” - Wendell Berry, novelist

Students will participate in our Walk to School Day to reduce our carbon footprint and to promote exercise. Students who live adjacent to Hollifield are encouraged to walk, ride a bike, or carpool. Bus students will follow their normal routine but will be dropped off at Howard Run so that they can walk to school.

Students are encouraged to pack a waste free lunch and to wear blue/green or an Earth Day T-shirt to celebrate our Earth!

We will reduce our energy use by Dining in the Dark during all lunch shifts. Tables will be covered with paper and battery-operated candles. Lights will be turned out and natural light will be used. Students will be able to draw and write Earth Day messages on the paper.

If you have any questions, please email Lori Speelman at Lori_Speelman@hcpss.org.

Books! Books! Books!

Have you done your spring cleaning yet? As you clean out your home bookshelves, please consider donating gently used books appropriate for Pre-K thru 5th grade readers in our HSES community. While the HSES reading team will always accept book donations, this book drive is running from 4/20 to 5/12. Please drop off the books inside the front door at Hollifield Station. There is a crate in the foyer marked: Book Donations. We cannot accept any CDs, DVDs, encyclopedia sets, magazines, or textbooks older than 5 years, or books that are damaged or moldy. Thank you for your book donations!! Questions?: kelly_broccolino@hcpss.org.

Howl Outs

A hearty howl out to Mrs. Honza (& her kiddos) and her Family Game Night crew – Mrs. Tacka, Mrs. Christenson, Mrs. Brengle, Mrs. Jones and our Custodial Crew for all their support! It was a wonderful evening filled with a lot of fun:

Casey Cares Donations!

Thank you to all of our families for your contributions to the Casey Cares Pajama Drive. We are overwhelmed by the generosity of our community!
Reminder: Field Day - Volunteers Needed

The PE Department is finalizing plans for Field Day and we are happy to welcome back volunteers for the day. Volunteers will not be expected to run a station, but will be at the station to help the station leader run it as smoothly as possible. The only station that volunteers will run is the chalk obstacle course, so if you volunteer for this, please take this into consideration. Field Day is scheduled for May 12th. If we are not able to proceed with the May 12th date due to weather, then our rain date is May 24th. The sign ups below are for May 12th, but if we need to move to the 24th we hope to keep the same volunteers as long as they are available. Please review the available slots below and click on the button to sign up. You may sign up for multiple slots as long as they are at different times. Thank you for considering to spend part of Field Day with us at HSES! If you are volunteering for the first time this year you need to complete the volunteer forms found in the link below. If link doesn't open when you click, please copy and paste in different window.
